CURRICULUM VITAE

PERSONAL DETAILS

NAME	:	DANIEL KIOKO NDUNGE
GENDER	:	MALE
PHONE NUMBER	:	+254769894714
EMAIL ADDRESS	:	danielkioko1844@gmail.com

PERSONAL PROFILE

I am self-motivated, honest, and hardworking, with the ability to work well with people of all backgrounds. I can perform tasks with minimal supervision and aim to apply my computer science skills and knowledge to contribute positively to your organization.

CAREER OBJECTIVE

To leverage and apply my computer science knowledge and skills, grow professionally, and contribute to the success of the team through hard work, creativity, and dedication.

EXPERIENCE

MAY 2023 – AUGUST 2023

I was attached at ICT department of Makueni county referral hospital as a technical support attachee. I was able to gain experience in network troubleshooting, data recovery and backup, networking skills and software and hardware installation. I was involved in monitoring and improving network connectivity within the hospital departments. Additionally, I participated in networking tasks such as ethernet cable terminations and also troubleshooting printers, computers and networking devices. Ensuring they function properly. I actively participated in computer maintenance and repair. I successfully collaborated with a team to set up a network infrastructure during attachment period to ensure connectivity within departments enhancing productivity.
